

“SOUL SESSIONS”

INTERACTIVE SERVICES

With Chris and Diana Johnson and Sherri Dotter, RScPs

This transformational experience puts a new spin on ‘mid-week service.’ Diana Johnson will be leading a weekly, interactive, minds-on session designed to put New Thought teachings into practical use in your life. Chris Johnson will add his Practitioner Consciousness and delightful music to the experience and Sherri Dotter will serve as Practitioner, offering prayer and the heart of SEVA. They begin this journey by taking a look at *Big Magic* by Elizabeth Gilbert. She

says, “The universe buries strange jewels deep within us all, and then stands back to see if we can find them. The hunt to uncover those jewels – that’s Creative Living. The courage to go on that hunt in the first place – that’s what separates a mundane existence from a more enchanted one.” Be courageous ... experience community with others who are doing the same. See you then!
