

# **THE BIG LEAP**

## **Non-Certificated Class**

### **With Chris Johnson, RScP**

This class is based on the book, *The Big Leap*, by Gay Hendricks. In this book, Gay introduces us to the one problem that keeps us from being all of whom and what we are meant to be. Each of us is a unique expression of the One Divine Life (or Spirit, God, etc.) and have a distinct set of talents and gifts that no one else can share with the world. So what is that "one problem?" Gay calls it the "Upper Limit Problem," and he tells us how to spot it when it shows up in our lives. Once we realize how the Upper Limit Problem works and how we react to it, we can choose to respond to our lives in more empowering ways.
