

Mastery of Self: A Contemplative Process

With Diana Johnson, RScP

Join Diana Johnson for a contemplative journey based on Christian D. Larson's *Mastery of Self* (available free online). This class will focus on the practical application of Science of Mind® principles in all areas of life. Because of its practical nature and its light reading and homework schedule, this class will serve in boosting your success in any other class or activity you find yourself engaged in. Students are asked to meet in the Meditation Pavilion with a water bottle and journal and to wear comfortable clothing. Don't miss this opportunity to jump-start your growth and deepen your experience of the Divine!
